

ROTARY CLUB OF THE WEALD OF KENT-PRIVACY STATEMENT

GENERAL DATA PROTECTION REGULATIONS

The Club holds data on a database comprising your personal details for the purpose of informing you of details of events which we organise and to enable you register to take part.

The data comprises your name, address, telephone numbers and email address, together with the name of any Sponsoring Body you may associated with.

In addition, for sponsored events, we hold a note of amounts due from you as pledged until 1) the total amount has been paid to us, less any deduction relating to your own nominated charity and 2) the amount of Gift Aid has been received from HMRC, under the Gift Aid Declaration made by you. Thereafter, the data will be deleted once all HMRC rules have been satisfied.

Under the Mike Collingwood Memorial Fund we hold additional data relating to the activity for which you have applied for a grant and the Sponsoring Body (if applicable) until the amount of any grant awarded has been paid. Thereafter, the data will be removed. Paper files will be held securely for one year after any grant has been made to enable us to deal with any relevant enquiries from you, or any party authorised by you to receive the information. Thereafter your file will be destroyed securely.

The data will never be shared with any third party, will be held securely in protected media, and then only for as long as you remain in contact with us.

If you require any further information, please contact the Club Secretary

secretary@wealdofkentrotary.org.uk

You can unsubscribe at any time by using the "unsubscribe" link shown on emails sent to you. If there is no link then please ask the author delete your data.
